Dear Ranch Friend,

In a world filled with uncertainty and chaos we have had much to celebrate this spring as four of our Ranchers graduated from high school. Although the last few weeks of their school days were cut short and they missed out on many of the planned activities, we created special ways to celebrate with them to help mark this important milestone in their young lives.

We have continued to be a statewide resource for needy children and have added nine new children to our Ranches over the past few months. These children depend on our loving, supportive homes and we rely on you to help us guide them through the years ahead. The future may be full of uncertainty, but we will continue to serve these boys and girls to the best of our ability. We have kept them engaged and learning over the summer so that they will be ready for the upcoming school year.

I hope that we can count on your support once again as we prepare the children for the next school year. Our mission is made possible by the dedication of our extended Ranch family members like you. These children have a chance because of the gifts we receive on their behalf.

This year brings special challenges as we navigate the new norms in education. Each school district is trying to incorporate their own best plan to keep students and teachers safe while learning. We must plan now for the school supplies that we know the children will need and be able to provide for any specialty supplies that they may be required to bring as well.

Please consider making a contribution to our Back to School fund to help the Ranch children be ready for the new school year. Your donation is a tax-deductible gift to the Ranches and will go a long way toward helping us educate these boys and girls.

Sincerely,

Michael Smith

P.S. In a world full of uncertainty, these boys and girls have been able to count on us. Thank you for being a part of our Ranch family and helping us raise these boys and girls to be productive, law-abiding young men and women.

Yes, I will help the Ranch children with my tax-deductible gift!
