

Boys & Girls Ranches of Alabama

Ranch Round-Up Newsletter - Fall 2018

"It's easier to build boys and girls than to repair men and women"

Fall Snap Shot

We are blessed to have so many supporters throughout the state donate their time, talents and support to the boys and girls at each of our locations. From work projects and donations, to catered events and gift bags to the children, our children and staff felt the loving care that each person showed them with their generosity.

Back to School

We have children in all phases of school life from elementary, to junior high, high school and college. Back to school time was a blur of excitement as we prepared our boys and girls for their new classrooms. Thanks to our many supporters for helping us provide the children with their school supplies and clothing needs so they were ready to go from day

one! We also want to thank our volunteer tutors for helping out year round. The boys and girls thrive with the special attention and support from each of you.

Fall, Fun & Football

Thanks to the generosity of our supporters our Ranchers enjoyed going to some of the Auburn and Alabama home football games this fall. In addition to being a fun bonding time for the Ranchers and their houseparents, these opportunities help get the youth interested in pursuing a college degree.

Events Help Each Ranch

CHAMBERS COUNTY SHERIFF'S DEPARTMENT

During the month of November you might notice some of our Deputies with Beards, Mustaches, Goatees or facial hair somewhere in between. Sheriff Sid Lockhart waived the office's policy on shaving in order to raise awareness and funds to support the The Girls Ranch. Each Deputy participating has made a contribution to the cause. If you would like to show your support a contribution can be made at the Chambers County Sheriff Office in Lafayette or at the Chambers County Annex in Lanett. All funds raised will go to the Alabama Sheriff's Girls Ranch.

Many different events are hosted throughout the state each year to help raise funds for the children. Here are just a few of the events that help us provide for these deserving boys and girls. If your company or group is interested in helping with any of our events, please contact your local Ranch, the Administrative Office, Facebook, or check out our website at www.boysandgirlsranched.org for more information on getting involved.
