Boys & Girls Ranches of Alabama

The Boys & Girls Ranches of Alabama is a 501(c)(3), nonprofit charitable organization that provides homes for underprivileged children throughout Alabama. Starting with one Boys Ranch in 1966, Alabama's sheriffs hoped to provide boys who were abandoned, neglected or abused a safe haven as well as a surrogate family. In doing so, our sheriffs established an organization that gives every child an opportunity to become productive, successful members of our society.

Our Ranch program has grown, with the need of Alabama's children, to four Ranches statewide.

There are currently two Ranches for boys and two for girls located throughout the state.

We provide our children with a structured, loving environment. The children attend schools in their local communities and learn the value of work ethic by sharing in the household duties, as well as chores on the Ranches.

The Ranches operate almost entirely through funds donated by individuals and corporations, as well as income from special events and grants. A large portion of the player's fees and the entire hole sponsor fee is a tax-deductible donation to the children. Thank you for supporting the children through your participation in this charitable event.
